2020 ROW CROP COUNTY ESTIMATES

County-level estimates for 2020 row crops are now available, according to the USDA's National Agricultural Statistics Service. The estimates, based primarily on surveys conducted with farmers and ranchers last fall, can be accessed using the QuickStats online database, found here: <https://quickstats.nass.usda.gov>

The commodity estimates include corn for grain and sorghum for Colorado.

For state specific questions, please contact:
